COLLECT ROSEMARY ON DVD

The Rosemary Clooney Palladium in partnership with avid video collector, Tom Kleinschmidt, offer you this opportunity to expand your collection of Rosemary Clooney performances on DVD. Tom has been collecting and trading for 25 years, and has amassed hours of Rosemary from every kind of television appearance. You'll find episodes of her variety show, interviews, guest spots, specials, game shows and more. Tom provides copies of these programs as a service, and is not actually selling the programs. You can order single DVDs, or receive a break on pricing if you order 10 or more. While Tom's service usually involves trading for items he doesn't have in his collection, he is making his collection available to Rosemary fans who may not have anything to trade, but very much want to expand their collection of their favorite "Girl Singer."

Pricing is \$15/DVD and includes S&H. If you purchase ten or more DVDs, the price is \$12/DVD and includes S&H. Complete this order form, by checking the DVDs you wish to purchase and mail it with payment to Tom Kleinschmidt, 12 Patton Drive, Ewing, New Jersey 08618, or or send an email to otr1962@yahoo.com detailing your "want list." Be sure to include the DVD reference number in your order. Payment can be made with checks, money

NOTICE: *This is a service only and I [Tom Kleinschmidt] am not actually selling the programs. I make no claim of ownership or copyright of the programs. This charge is only for my time, materials, and shipping costs, and to allow more people access to my collection. Note that I always prefer to trade for variety shows that feature Rosie that I do not already have. All DVDs are believed to be of reasonably good quality unless noted otherwise.*
